

Supply Chain Focus Group

Save the Date

Agri-food experts and professionals from the agri-food value chain will come together to discuss challenges, trends, opportunities and innovative solutions in supply chain management.

Target: Processors and businesses working along the food and beverage supply chain

Dates:

- **Jan. 28, 2025** (In-person, Winnipeg area)
- **Jan. 29, 2025** (Virtual)

Agenda:

- What is working well
- Where improvements are needed
- Exploring potential opportunities and solutions
