---

Pursuant to Rule 26(1), Mr. SELINGER, Hon. Mr. FLETCHER, Hon. Ms. CLARKE, Mrs. GUILLEMARD and Hon. Mr. GERRARD made Members' Statements.

---

The following petition was presented and read:

Mr. MALOWAY – Legislative Assembly of Manitoba to urge the Provincial Government do all that is possible to prevent the Bell takeover of MTS and preserve a more competitive cell phone market so that cellular bills for Manitobans do not increase unnecessarily.

---

The House resumed the Interrupted Debate on the Proposed Motion of Mr. REYES:

THAT the following address be presented to Her Honour the Lieutenant Governor:

We, the Members of the Legislative Assembly of Manitoba thank your Honour for the gracious speech addressed to us at this First Session of the Forty-First Legislature of Manitoba.

And the proposed amendment moved by Ms. MARCELINO (Logan) as follows:

*THAT the Motion be amended by adding the following words at the end:*

But this House regrets that the Provincial Government failed to:

- (a) recognize the diversity of this great province by failing to present a positive and inclusive vision for all Manitobans; and
- (b) acknowledge and commit to implementing the recommendations of the Truth and Reconciliation Commission; and
- (c) commit to ensuring a successful and participatory national inquiry into Missing and Murdered Indigenous Women and Girls; and
- (d) commit to keeping public and social services public to prevent corporations from profiting on the backs of the poorest people of this province; and
- (e) commit to protecting and enhancing the rights of LGBTTQ\* persons; and
- (f) commit to protecting and enhancing the rights of workers; and
- (g) commit to protecting and enhancing supports for persons living with disabilities; and
- (h) commit to keeping the province's valuable Crown Corporations public; and
- (i) commit to focus on environmental and water protections, expand the network of protected areas or fight climate change with innovation and green jobs; and
- (j) commit to take steps to increase the minimum wage and to bring the incomes of all Manitoba families above the poverty line; and
- (k) commit to eliminating the wait list for child care by adding 12,000 more spaces for families, and expanding Manitoba's workforce of early childhood educators; and
- (l) commit to focusing on prevention and supportive programs for early years learning; and
- (m) commit to investing more in community schools, early childhood hubs, and after-school programs in the inner city and in northern Manitoba; and

- (n) commit to ramping up the First-Year Now initiative to ensure high school students earn university and college credits to get a head start on their careers; and
- (o) commit to expanding community based programs that help skilled newcomers get good jobs in their chosen careers across Manitoba; and
- (p) commit to a plan that ensures all Manitoba students learn about the histories, languages, cultures and traditional knowledge of Indigenous peoples; and
- (q) acknowledge that Indigenous communities must be full partners in efforts to support and keep families together; and
- (r) commit to keeping post-secondary accessible to any student who wishes to attend by keeping tuition fees low and limiting increases to the rate of inflation; and
- (s) commit to partnering with post-secondary institutions to make campuses a safer place for all students with policies to prevent, and respond to, sexual violence and sexual harassment; and
- (t) commit to mixed use housing for students with partners like Brandon University and the University of Winnipeg; and
- (u) commit to increasing the number of women apprentices in the skilled trades; and
- (v) commit to partnering with the University College of the North to build a new trades training centre to help students take advantage of the good jobs created by Manitoba Hydro; and
- (w) commit to an expansion of the Women's Health Clinic, more access to midwives and an expansion of the Fertility Treatment Tax Credit; and
- (x) commit to enhancing funding to seniors' centres and working with partners to develop more seniors' housing, and improve palliative care services; and
- (y) commit to relocating the rails that divide our city and free up the land for developments that will create jobs, housing and other opportunities; and
- (z) commit to implementing the recommendations from the Task Force on Education Outcomes for Children in Care.

As a consequence of these and many other failings, the Provincial Government has thereby lost the trust and confidence of the people of Manitoba and this House.

And the proposed sub-amendment moved by Ms. LAMOUREUX as follows:

*THAT the motion be amended by adding after clause (z) the following clauses:*

**Friday, May 20, 2016**

---

- (aa) commit timely construction of the road network connecting communities on the east side of Lake Winnipeg; and
- (bb) commit to improving and enhancing the Provincial nominee program and the process of bringing immigrants to Manitoba; and
- (cc) commit to putting the highest possible priority on the establishment of a dedicated stroke unit in Manitoba; and
- (dd) commit to addressing the urgent need for First Nations housing; and
- (ee) commit to implement, together with First Nations and Metis people in Manitoba, a plan to improve nutrition and to decrease diabetes in our Province.

And the debate continuing on the sub-amendment,

And Mrs. GUILLEMARD, Mr. CHIEF, Hon. Mr. GOERTZEN and Messrs. MARCELINO (Tyndall Park) and SMITH having spoken.

And Mr. SARAN speaking at 12:30 p.m. The debate was allowed to remain in his name.

---

The House then adjourned at 12:30 p.m. until 1:30 p.m. Tuesday, May 24, 2016.

Hon. Myrna DRIEDGER,  
Speaker.
