**ADJOURNED DEBATE (EIGHTH DAY OF DEBATE):**

On the Proposed Motion of Hon. Mr. SELINGER –

THAT this House approve in general the budgetary policy of the government.

And the Proposed Motion of Mr. MURRAY in amendment thereto as follows:

*That the Motion be amended by deleting all the words after "House" and substituting the following words:*

therefore regrets this Budget ignores the present and future needs of Manitobans by:

- (a) Failing to be accountable to Manitobans for the overspending and fiscal mismanagement of this Doer NDP government; and
- (b) Failing to be accountable for the fact that Manitoba families will be the highest taxed of any province in Canada; and
- (c) Failing to provide a long-term strategy to bolster Manitoba's economy and make Manitoba a "have" province; and
- (d) Failing to be accountable for the dismal state of agriculture in Manitoba and the lack of sufficient slaughter capacity in the province and to provide a sustainable plan for the growth of agriculture and the rural economy; and
- (e) Failing to provide a climate that encourages private sector job creation and growth in the province, to provide opportunity for Manitoba youth to remain in the province; and
- (f) Failing to accept responsibility and be accountable for the province's unprecedented level of debt, which has grown to over \$20 Billion under the Doer NDP government, thereby mortgaging our children's and grandchildren's future; and

- (g) Failing to eliminate education taxes off residential property and farmland; and
- (h) Failing to provide adequate funding for post secondary institutions; and
- (i) Failing to be accountable for the dead last ranking of Manitoba's health care system by the Conference Board of Canada; and
- (j) Failing to be transparent and accountable for where health care dollars are being spent; and
- (k) Failing to be accountable for the increased court backlog and probation breaches; and
- (l) Failing to provide a long term strategy for the revitalization of rural Manitoba and continuing to ignore rural Manitobans; and
- (m) Failing to be accountable for drawing money from the "rainy day fund" in times of unprecedented revenues.

As a consequence, the Government has thereby lost the confidence of this House and the people of Manitoba.

And the Proposed Motion of Hon. Mr. GERRARD in sub-amendment thereto as follows:

*That the amendment be amended by adding thereto the following words:*

And further regrets that this budget also ignores the present and future needs of Manitobans by:

- (n) Failing to present a genuinely balanced budget as demonstrated by the government's raid of the Fiscal Stabilization Fund as explained above; and
- (o) Failing to protect the province's financial sector by calling a public inquiry into the Crocus Investment Fund scandal; and
- (p) Failing to take adequate measures to protect children in the care of Manitoba Child and Family Services and to provide adequate transition to children in care so that they are at high risk after leaving care; and
- (q) Failing to provide an effective strategy to deal with child poverty; and
- (r) Failing to provide Manitobans with the legal right to timely, quality health care.
