THIRTY-NINTH LEGISLATURE – THIRD SESSION

WRITTEN QUESTIONS:

Hon. Mr. GERRARD –

6. Will the Government explain why were Breezy Point Residents not allowed to return to their homes on the 15th of April, in attempt to salvage any property or valuables that could have been saved had they been immediately attended to, when on April 14th, 2009 Manitoba Water Stewardship announced that water levels in Breezy Point receded to a safe level of 718.9’?
7. Will the Government guarantee that everyone who wishes to purchase a new home will be able to get mortgage, no matter their age, since the Government has said repeatedly that they will be giving a generous buyout to the home owners of Breezy Point?

NOTICE PAPER

NOTICE OF MOTION FOR TUESDAY NEXT:

PROPOSED RESOLUTION:

Ms. BRAUN – Seniors and Pharmacare

17. WHEREAS health care and the affordability of prescription medication remain top priorities for this Provincial Government and for Manitoba seniors; and

WHEREAS the Provincial Government strives to continuously improve health services geared to the needs of seniors; and

WHEREAS a robust Pharmacare system keeps the costs of living affordable for seniors struggling with the high cost of prescription drugs; and

WHEREAS the Provincial Government has more than tripled its investment in Pharmacare since 1999 and continues to be a leader in Pharmacare programs across Canada by financing 100% of drug costs, regardless of age or medical condition, once the income-based deductible is reached and by establishing a Palliative Care Drug Access Program with no deductible; and

WHEREAS the Pharmacare program has expanded to cover an additional 25,000 Manitoba families since 1999; and

WHEREAS in 2009 the average Pharmacare beneficiary received \$2,700 in free prescription medicine, more than double the amount received in 1999; and

WHEREAS for the duration of the Provincial Government's five year economic plan Pharmacare deductible increases will be limited to the rate of general inflation, which helps to maintain affordability for senior citizen Pharmacare users and protect them from rising drug costs; and

WHEREAS the Provincial Government has made changes to the deductible system that will further guarantee fair access to prescription drugs, such as adding additional income brackets so Manitobans are not faced with costly deductible increases associated with small increases in income and introducing a monthly installment plan for deductible payments; and

WHEREAS the previous Provincial Government nearly tripled the drug co-payment or deductible during their administration.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to continue to enhance the Pharmacare program to make prescription drugs affordable and accessible to all Manitobans.
