**ADJOURNED DEBATE (SIXTH DAY OF DEBATE):**

On the Proposed Motion of Hon. Mr. STRUTHERS –

THAT this House approves in general the budgetary policy of the Government.

And the Proposed Motion of Mr. MCFADYEN in amendment thereto as follows:

*THAT the motion be amended by deleting all of the words after "House" and substituting:*

therefore regrets this budget fails to address the priorities of Manitobans by:

- a) breaking the Premier's promise not to increase taxes; and
- b) imposing \$184 million in new taxes on hard pressed Manitoba families, who are also facing higher hydro rates and property taxes, increased child care fees and a range of other hidden taxes; and
- c) driving gas prices higher at a time when gas prices in Manitoba have already increased 12% so far this year, further increasing the burden on Manitoba families, while cutting spending on Manitoba's crumbling infrastructure; and

- d) failing to take action to build safe communities as Manitoba has become the violent crime capital of Canada with Winnipeg's murder rate reaching an all time high in 2011; and
- e) failing to recognize the importance of agriculture, food production and rural communities; and
- f) failing to take action to protect Manitobans from future floods and failing to adequately compensate families for past damages; and
- g) failing Manitoba students who scored among the lowest in Canada on national and international reading, math and science tests; and
- h) creating an even bigger sinkhole of debt, now at \$27.6 billion and rising, which as a result will force Manitoba families to pay higher taxes in the years ahead; and
- i) failing to encourage greater trade opportunities with Alberta, British Columbia and Saskatchewan by refusing to join the New West Partnership; and
- j) failing to undertake a review of program spending across all government services; and
- k) failing to tackle the red tape burden that is hurting business and private investment in Manitoba; and
- l) failing to comply with recommendations of the Public Utilities Board to carry out an independent review of Manitoba Hydro's capital program; and
- m) mismanaging \$35 billion in federal transfer payments received since 2000; and
- n) failing to offer a plan to encourage private investment to create opportunity and wealth so Manitobans can feel hope that our province will one day emerge from the hole of debt and dependency and see a brighter future.

As a consequence, the Provincial Government has thereby lost the confidence of this House and the people of Manitoba.
