(Hon. Ms. BLADY – 6 mins.)

RESOLUTION:

Mr. FRIESEN – Balanced Budget Promise Broken

19. WHEREAS the Provincial Government has overspent its core budget by a cumulative \$3.4 billion since 2000; and

WHEREAS the Provincial Government’s actual core expenditures exceeded budgeted core expenditures in 13 out of 14 budgets since 2000; and

WHEREAS in the last provincial general election, the Premier promised to balance the budget of the province by 2014; and

WHEREAS the Minister of Finance reiterated the promise that the budget of the province would be balanced by 2014 when he announced his annual budget just two years ago saying “We are on track to return to balance by 2014”; and

WHEREAS the 2014 budget shows that the Provincial Government has failed to balance the budget this year as promised; and

WHEREAS the Provincial Government has failed to balance its budget even while revenues have skyrocketed through the tax and fee hikes of 2012 and the illegal 8% PST hike of 2013, which together now generate more than \$500 million per year for the Provincial Government.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to acknowledge that it broke its promise to Manitobans by failing to balance the budget by this year; and

BE IT BE FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to immediately enforce the sections of the *Balanced Budget, Fiscal Management and Taxpayer Accountability Act* which require that the salaries of all Ministers be reduced by 40 per cent when the Provincial Government fails to balance the budget.

DEBATE ON RESOLUTIONS:

(No. 71) – The Animal Diseases Amendment Act/Loi modifiant la Loi sur les maladies des animaux

OPPOSITION DAY MOTION:

Mr. EICHLER –

That the Legislative Assembly call on the Provincial Government to respect Manitobans as the real owners of Manitoba Hydro by immediately reconsidering the plan to at least double hydro rates for Manitoba families over the next 20 years in a risky Hydro development scheme that has already cost taxpayers \$2.6 billion dollars to create power that independent experts conclude will not be required to meet domestic needs until as late as 2034, and serves only to funnel billions of dollars in additional hidden Hydro taxes and fees to the Provincial Government.
