RESOLUTION:

Ms. HOWARD – Support for a Strong Public Child Care System

12. WHEREAS quality, affordable child care is crucial to ensuring parents can choose to work, attend classes or upgrade their skills, all of which contributes to Manitoba's economy; and

WHEREAS the Official Opposition recently revealed a hidden agenda to cut affordable child care spaces in favour of privatized, for-profit daycares, a move that would jeopardize the 29,000 affordable child care spaces that the Provincial Government has helped grow over the last decade for families; and

WHEREAS the Leader of the Official Opposition has a history of attacking universal, affordable child care as a Filmon cabinet minister when Manitoba was the only province to veto the Federal Government's national child care plan, and again in 2006 when he helped push the Harper Government's decision to cancel the \$176 million agreement with Manitoba for a national child care program; and

WHEREAS the last Provincial Conservative Government cut \$8 million from child care centres and reduced operating grants for nursery schools by 50%; and

WHEREAS a privatized, for-profit child care system would more than double the fees families pay and would hit low income families the hardest; and

WHEREAS since 1999, the Provincial Government has provided funding to almost double the number of public child care spaces available in Manitoba and has a long term plan that will help fund affordable child care for all families that need it; and

WHEREAS the Provincial Government recently announced the continuation of a plan to invest in another 5,000 child care spaces and build or expand day care centres across Manitoba.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba affirm its support for a strong public child care system that supports Manitoba families, allows parents to work or further their education and invests in the futures of the province's children; and

BE IT FURTHER RESOLVED that the Legislative Assembly urge the Provincial Government to continue to grow the public child care system in Manitoba rather than aggressively cut child care spaces in favour of a privatized system.
