**RESOLUTION:**

**Mr. PEDERSEN– Manitoba Needs a Social License for Agriculture**

2. WHEREAS “Social License” for agriculture refers to the level of public trust granted to a corporate entity or industry sector by the community at large and its key customer base; and

WHEREAS public trust is the belief that activities are consistent with social expectations and the values of stakeholders as earned through industry engagement, operating practices and expressed values; and

WHEREAS the building of public trust in agriculture includes such things as ethics, shared values, transparency, certification, verification, obligations for food safety and countering myths and perceptions.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to stop its practice of blaming the agricultural industry for the Provincial Government’s own failures to stop the degradation of the environment, instituting oppressive tax policies on agriculture and taking on an adversarial attitude toward agriculture; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba be urged to engage in building an environment of social license for agriculture that will address the farm-to-plate knowledge gap where there is an increasing cultural and social divide between those who are and those who aren’t involved in the agricultural industry.

## NOTICE OF MOTIONS FOR TUESDAY:

### OPPOSITION DAY MOTIONS:

Mr. GOERTZEN –

That the Legislative Assembly of Manitoba urge the Federal Government to conduct a national referendum prior to changing from a first past the post voting system for federal elections to another system, to determine the will of Manitobans and all Canadians regarding their preferred system of voting.

Mr. FRIESEN –

That the Legislative Assembly of Manitoba urge the Provincial Government to bring forward the 2016/2017 provincial budget in the current sitting of the Legislature to ensure Manitobans have a full and detailed disclosure of the finances of Manitoba prior to the April 19<sup>th</sup> general election.

Mrs. STEFANSON –

That the Legislative Assembly of Manitoba recognize that an 8% PST represents a regressive tax increase felt hardest by working families, has contributed to increasing levels of child poverty, and that by breaking its promise and raising the PST the Provincial Government failed to consider the impact of this tax increase on low income Manitobans.
