# NOTICE PAPER

## NOTICE OF MOTION FOR THE NEXT THURSDAY OF PRIVATE MEMBERS' BUSINESS:

### PROPOSED RESOLUTION:

#### **Ms. FONTAINE – Pharmacare Must Cover All Essential Medication for Women**

12. WHEREAS the abortion pill Mifegymiso is listed by the World Health Organization as an “essential medicine”, was approved by Health Canada in July 2016, and will be made available November 2016; and

WHEREAS Health Canada requires doctors to complete an online training course in order to administer the drug and are required to dispense the drug themselves, rather than hand out a prescription; and

WHEREAS this requirement is beyond the scope of many family practices, particularly those in rural and remote communities who do not have experience maintaining the supply and distribution of pharmaceuticals, thereby having the potential to create additional barriers for patient access; and

WHEREAS Mifegymiso is priced at approximately \$270, and as a medication, is not covered under provincial healthcare plans; and

WHEREAS every province but Quebec has refused to add the abortion pill to their list of publicly funded drugs and Manitoba must continue to be a leader in pushing for accessible reproductive healthcare options; and

WHEREAS all Manitoba women have a right to affordable and accessible reproductive healthcare; and

WHEREAS in past years specific investments have been made to improve reproductive healthcare for women, including a new Women’s Hospital, an expansion of the Women’s Health Clinic as well as a Birth Centre, and the fight for universal services, like universal child care, continues.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to develop a dispensing and regulation plan for the abortion pill and include it in the provincial pharmacare plan to ensure that all Manitoba women have easy access to it.
