RESOLUTION:

Mr. MARCELINO (Tyndall Park) – Provincial Government’s Plan to Shutter Three Winnipeg Emergency Rooms Will Undermine Patient Care and Hurt Families and Seniors

11. WHEREAS the Provincial Government has announced the closures of three emergency rooms (ER) in Winnipeg at Concordia Hospital, Seven Oaks Hospital and Victoria Hospital, as well as an urgent care centre at Misericordia Health Centre; and

WHEREAS this announcement means the Provincial Government has broken its promise to Manitobans to protect the front-line services families and seniors count on; and

WHEREAS the Provincial Government failed to make any new investments in the remaining emergency rooms, personal care homes or homecare and these closures will force more patients into fewer hospitals and place additional burdens on doctors and nurses; and

WHEREAS the Provincial Government failed to provide any details to Manitobans about the ER closures, including savings incurred, capital costs or how many front-line jobs will be cut, despite knowing much of this information since announcing the initiative; and

WHEREAS these ER cuts come on the heels of other closures and cancelled plans across Winnipeg, including a QuickCare Clinic, CancerCare Manitoba, ACCESS Centres, personal care homes, a new facility for Pan Am Clinic and the Concordia Wellness Centre; and

WHEREAS the ER closures have left families and seniors in many parts of Winnipeg without any point of contact with front-line emergency healthcare services and will result in them having to travel twenty minutes or more to access emergency healthcare; and

WHEREAS these cuts will place a heavy burden on the many seniors who visit the emergency rooms frequently, especially for those who are unable to drive or are low-income; and

WHEREAS Winnipeg has one of the fastest growing population rates in Canada and the Provincial Government’s plan fails to meet the demands of growing populations, especially seniors, across north and south Winnipeg; and

WHEREAS the Provincial Government failed to consult with families and seniors in northeast Winnipeg before closing their emergency rooms or to consult with health officials and healthcare workers at Concordia to discuss how the ER closure would impact patient care in advance of the announcement.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba acknowledge that the Provincial Government’s plan to cut three emergency rooms and an urgent care centre in Winnipeg will undermine the healthcare system and increase demand in existing hospitals without additional investments.

DEBATE ON GOVERNMENT RESOLUTION:

On the Proposed Motion of Hon. Mr. GOERTZEN – Long Term, Sustainable and Flexible Healthcare Funding

WHEREAS health care is the single largest budget item for provinces and territories, each of whom is responsible for the delivery of quality health services for Canadians; and

WHEREAS provinces pay more than 75 per cent of health care costs and the Federal Government continues to reduce growth in health care funding; and

WHEREAS the Federal Government’s unilateral approach and refusal to engage in a discussion around the importance of a long term and sustainable partnership on health care funding should be of concern to every Manitoban; and

WHEREAS Manitoba is facing a challenging fiscal situation and the Federal Government’s decision to reduce health care funding by more than \$1 billion over the next 10 years is going to put additional strain on the ability to provide services to Manitobans; and

WHEREAS federal funding is essential in order to address the increasing costs associated with the health care needs of the province’s growing and aging population.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to reiterate the position of other governments representing 90 percent of Canada’s population, that is, before any further discussion takes place on a renewed Health Accord, the First Ministers request a meeting with the Prime Minister regarding the need for long term, sustainable and flexible funding for the healthcare system and that if this is not accomplished, any proposed reduction in healthcare funding be delayed until 2018/19.

(Mr. MARCELINO (Tyndall Park) – 17 mins)
