RESOLUTION:

Mr. MICHALESKI – Removing Education Tax from Property

1. WHEREAS quality education is of the highest importance for all Manitobans; and

WHEREAS in January 2019, the Provincial Government announced a comprehensive review on the kindergarten to grade 12 (K-12) education system in Manitoba which had not occurred in decades; and

WHEREAS the review will make recommendations to improve educational outcomes for students, ensure long term stability of the system, and increase public confidence in the education system; and

WHEREAS the recommendations can be expected to transform the K-12 system in Manitoba to effectively serve the next generations of Manitobans; and

WHEREAS Manitoba has one of the most complicated and uneven education property tax regimes in the country which has resulted in Manitobans paying thousands of dollars on their property tax bills to fund education; and

WHEREAS Manitoba's property tax system can be an impediment to future private sector growth and investment in the Province of Manitoba; and

WHEREAS the Provincial Government needs to take immediate steps to encourage and promote private sector investment in Manitoba to ensure prosperity for all Manitobans; and

WHEREAS the Provincial Government is committed to providing further tax relief for all Manitobans and will phase out the education portion on property taxes once the budget is balanced; and

WHEREAS balancing the budget will free up dollars allocated to debt servicing, allowing more investment in priority areas like health care, education, infrastructure and tax relief; and

WHEREAS the phase out of the education portion from taxes on property will be completed over a maximum of ten years.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba congratulate the current Provincial Government for its plan to remove the education portion from property taxes.
