**NOTICE OF MOTION FOR THE NEXT THURSDAY OF PRIVATE MEMBERS' BUSINESS:**

**PROPOSED RESOLUTION:**

**Mr. ALTOMARE – Calling on the Provincial Government to Immediately End Patient Transfers**

4. WHEREAS the Provincial Government cut 124 hospital beds in the Winnipeg Regional Health Authority and 18 ICU beds before the pandemic; and

WHEREAS the Provincial Government failed to adequately invest and build capacity within the healthcare system during the pandemic, leading to a record number of patient transfers; and

WHEREAS nearly 300 Manitobans requiring healthcare have been moved from their community and transferred far from home, sometimes hundreds of kilometres away; and

WHEREAS the families impacted by the transfers have been pleading for an end to this policy as their loved ones, many of them seniors, were moved far from their home communities, sometimes with little warning; and

WHEREAS patient transfers are disruptive for both patients and their families, leaving patients at risk for mental and physical distress; and

WHEREAS rapid deterioration of patients requiring critical care is not uncommon and transporting sick patients adds another layer of risk; and

WHEREAS when the current Premier was serving as the Minister of Health, she transferred 57 patients out of province and as Premier, continues to transfers many Manitobans hundreds of kilometres away from their families, communities and systems of support; and

WHEREAS Clarke Gehman died from contracting COVID-19 after being transferred twice from Winnipeg to Russell to Reston; and

WHEREAS separating Manitobans who require healthcare from their families during a time of distress is unacceptable and the Provincial Government needs to invest in a healthcare system that is able to care for all Manitobans close to home; and

WHEREAS the pain families are feeling is a direct result of the Provincial Government cutting investments to the healthcare system before the pandemic; and

WHEREAS the Provincial Government has no intention to stop the practice of transferring patients as David Matear, Shared Health system co-lead, stated “I don’t think that in principle that process will go away.”

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to immediately end the current practice of patient transfers to ensure patients receive the care they deserve close to home.
