## RESOLUTION:

### **Ms. LATHLIN – Calling upon the Provincial Government to Provide Psychiatry Assessments Close to Home for all Manitoba Children**

24. WHEREAS psychiatry assessments help provide an accurate diagnosis of a child's psychological disorder, which can result in better access to appropriate treatments; and

WHEREAS these treatments can have a major positive impact on a child's emotional, social and mental development; and

WHEREAS without a proper psychiatry assessment, many children's conditions can go undiagnosed, which can have negative impacts on their development; and

WHEREAS lack of proper diagnoses for psychological disorders has been linked to higher levels of physical health issues, incarceration and suicide; and

WHEREAS Northern Manitoba as a region has higher rates of adolescent suicide and self-harm, particularly in First Nation communities; and

WHEREAS these same communities don't have access to mental health supports close to home for children such as psychiatry assessments; and

WHEREAS psychiatry assessments for children in Manitoba are currently only available in Brandon and Winnipeg; and

WHEREAS children living in remote and northern areas are forced to travel many hours to Brandon or Winnipeg for psychiatry assessments; and

WHEREAS this travel requirement can be extremely stressful and burdensome for children who need help, especially if they are currently undergoing a mental health crisis; and

WHEREAS having to travel to Brandon or Winnipeg for a child's psychiatry assessment places a financial burden on families; and

WHEREAS the Provincial Government should provide access to psychiatry assessments close to home for all children in Manitoba regardless of where they live.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba call upon the Provincial Government to provide psychiatry assessments close to home for all Manitoba children.
