**RESOLUTION:**

**Mr. MALOWAY – Condemning the Provincial Government for Breaking its Promises to Seniors on Personal Care Home Beds**

**10.** WHEREAS Manitoba seniors deserve to age with dignity and respect that should include access to high quality, long term care services when they need them in their local community; and

WHEREAS the need for personal care home beds in the province is a critical issue, particularly in light of the aging population and the increasing demand for long term care services; and

WHEREAS families are struggling to find appropriate care for their loved ones and many seniors are forced to live in substandard conditions, waiting months or even years for a spot in a facility; and

WHEREAS a lack of personal care home beds has had detrimental impacts on the health of many seniors who have had to be transferred far from their home communities and families, particularly in northern Manitoba; and

WHEREAS the current Provincial Government pledged in the 2016 campaign that it would build 1,200 new personal care home beds; and

WHEREAS since that time it has closed personal care home beds and cancelled projects for additional beds in Lac du Bonnet and Winnipeg such that there are now 216 fewer personal care home beds in Manitoba than in 2016; and

WHEREAS this situation is unacceptable, and this Provincial Government must take responsibility for its failure to deliver on its promises.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba condemn the Provincial Government for breaking its promise to build 1,200 new personal care home beds and its refusal to invest in the long term care needs of Manitoba seniors and their families.
