NOTICE PAPER

NOTICE OF MOTION FOR THE NEXT THURSDAY OF PRIVATE MEMBERS' BUSINESS:

PROPOSED RESOLUTION:

Mrs. COOK – Calling on the Provincial Government to put Patients over Politics

11. WHEREAS there are thousands of Manitobans suffering right now who are on waitlists for surgeries and diagnostic procedures in Manitoba; and

WHEREAS dozens of constituents from across Manitoba are reaching out and expressing concern regarding the waitlists they or their family members are on as well as overall surgical capacity; and

WHEREAS one of the first things this Provincial Government did when they took office was fire the surgical and diagnostic task force, who provided over 80,000 additional surgeries and procedures that otherwise would not have been funded; and

WHEREAS the Provincial Government has cut surgical capacity in Manitoba by taking away out-of-province surgical options when waitlists in Manitoba were too long; and

WHEREAS the Provincial Government has not allocated funding to address short-term surgical capacity in Manitoba; and

WHEREAS as of April 1st, 2024, dozens of agreements signed to increase surgical and diagnostic capacity with public and private clinics in Manitoba were allowed to lapse by this Provincial Government; and

WHEREAS no immediate alternative solutions for Manitobans currently waiting for surgeries and diagnostic procedures have been provided; and

WHEREAS any progress on surgical and diagnostic wait times will require a plan to attract, train, and retain health care workers that the Provincial Government has thus far failed to present; and

WHEREAS the Provincial Government has a responsibility and duty to provide timely care for people in pain waiting for surgeries and diagnostic procedures.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to immediately address short-term surgical capacity issues by providing more options for patients in need right now, re-sign all agreements intended to increase surgical and diagnostic capacity in Manitoba, and create a real plan to attract, retain and train more healthcare workers in Manitoba.
