Re: ORDINARY LICENCE - PARKDALE TRAILER COURT
(COURTS OF ST. ANDREWS), R.M. OF ST. ANDREWS:
River Lots 2, 3 and 4, Parish of St. Andrews.

This licence is issued pursuant to The Clean Environment Act permitting Parkdale Trailer Court to discharge contaminants or waste arising from the operation of a secondary sewage disposal system located in the R.M. of St. Andrews, on River Lots 2, 3 and 4, in the Parish of St. Andrews, subject to the following conditions:

- 1) All contaminants or waste from the said operation shall be collected and retained in lagoons or tanks that are constructed in such a manner as to prevent contamination of ground water.
- 2) The contaminants or wastes thus collected and retained in said lagoons or tanks shall be so treated that the level of biochemical oxygen demand of the effluent shall not exceed 30 milligrams per litre at the time of the release to Parks Creek.
- 3) The contaminants or wastes thus collected and retained in said lagoons or tanks shall be chlorinated to the satisfaction of the Commission before release of effluent takes place to Parks Creek.
- 4) No discharge of effluent shall take place between the first of November in any one year and the thirty-first of March of the following year without the express permission of the Clean Environment Commission.
- 5) The operation shall be carried out in such a manner as to minimize the release of offensive odours and to the satisfaction of the Commission.
- 6) This licence is issued to serve a number of trailer units not in excess of 184.
