

AN ORDER OF THE CLEAN ENVIRONMENT COMMISSION
 UNDER THE CLEAN ENVIRONMENT ACT

RE: THE CLEAN ENVIRONMENT COMMISSION and THE UNIVERSITY OF MANITOBA GLENLEA RESEARCH STATION, Applicant,

WHEREAS pursuant to the provisions of The Clean Environment Act, the University of Manitoba Glenlea Research Station filed a proposal with the Department of Mines, Resources and Environmental Management in connection with the continued operation of an existing sewage treatment plant located on River Lot 7, Township 8, Range 3 East of the Principal Meridian in the Rural Municipality of Richot, Manitoba, with discharge of effluent to the Red River;

AND WHEREAS in the absence of limits being prescribed by a Regulation under the said Act, the application was referred to The Clean Environment Commission for the prescribing of limits;

AND WHEREAS no representations were made to the Commission by any person who is, or who is likely to be, affected by an Order of the Commission prescribing limits in connection with the said operation;

AND WHEREAS the Commission considered the application on the 9th day of August, 1976;

IT IS HEREBY ORDERED THAT

1. The Applicant shall ensure that the said plant is operated in such a manner as to minimize the release of offensive odours.
2. The Applicant shall ensure the quality of the effluent from the said plant is such that:
 - (a) the five-day biochemical oxygen demand is not in excess of 30 milligrams per litre;
 - (b) the suspended solids do not exceed 30 milligrams per litre; and
 - (c) the fecal coliform count, in terms of the MPN index, does not exceed 200 per 100 millilitres of sample.

C6104.1

3. The Applicant shall ensure that the effluent from the said plant is subjected to continuous chlorination in such a manner as to ensure the limit in Sub-clause 2(c) is not exceeded.

4. The Applicant shall ensure that the sludge removed from the said plant is disposed of at a site approved by the Environmental Management Division of the Department of Mines, Resources and Environmental Management.

Order No. 622

Dated at the City of Winnipeg

this 30th day of SEPTEMBER, 1976.

Chairman,
The Clean Environment Commission.
