

B. J. J.

AN ORDER OF THE CLEAN ENVIRONMENT COMMISSION
UNDER THE CLEAN ENVIRONMENT ACT

RE: THE CLEAN ENVIRONMENT COMMISSION and SANDILANDS FOREST PRODUCTS LTD.,
Applicant,

WHEREAS pursuant to the provisions of The Clean Environment Act, Sandilands Forest Products Ltd. filed a proposal with the Department of Consumer and Corporate Affairs and Environment in connection with the operation of a lumber mill and associated wood waste burner and other facilities located on Parcels 3 and 4, Plan 7593, in the Local Government District of Piney at Sprague, Manitoba;

AND WHEREAS in the absence of limits, terms and conditions prescribed by a regulation under the Act, the proposal was referred to The Clean Environment Commission for the prescribing of limits, terms and conditions;

AND WHEREAS after giving notice of the proposal, the Commission received representations from persons who are likely to be affected by an order of the Commission issued in connection with the said operation;

AND WHEREAS the Commission held a hearing in Sprague on the 14th day of September, 1981, to receive evidence and representations concerning the proposal;

AND WHEREAS the Commission considered the proposal on the 20th day of October, 1981;

IT IS HEREBY ORDERED THAT

- Assigned to A.B.C. Nov 4/81*
1. The Applicant shall not permit the emission of solid particulate matter from the various processes of the said operation in excess of 0.57 grams per standard cubic metre calculated at 25 degrees Celsius and 760 millimetres of mercury at the point of emission, corrected to 12 percent carbon dioxide for processes involving combustion.
 2. The Applicant shall not permit visible emissions from the said operation to exceed an opacity of:
 - (a) subject to (b), 40 percent for a period exceeding 4 minutes in any one hour at the point of emission;
 - (b) 60 percent for a period or periods exceeding a total of 45 minutes during the starting of a new fire;
 - (c) 60 percent at any time at the point of emission.

3. The Applicant shall not permit particulate matter from any source of the said operation to become airborne to such an extent that the particulate matter remains visible past the property line of the said operation.
4. The Applicant shall at all times maintain a high standard of equipment maintenance and good housekeeping practices consistent with meeting the limits, terms and conditions prescribed in this order.

Order No. 931

Dated at the City of Winnipeg
this 1st day of November, 1981.

Chairman,
The Clean Environment Commission.
