Attention: Ms. Tracy Braun, M.Sc. Director

Dear Ms. Braun:

**RE: SUBMISSION OF NORTH END WATER POLLUTION CONTROL CENTRE
MASTER PLAN**

Attached is a final report entitled "North End Water Pollution Control Centre Master Plan" dated April 28, 2014. This report has been prepared and is being submitted in accordance with the letter, "RE: North End Water Pollution Control Centre Upgrading" from your Department, dated October 2, 2012 and our meeting of January 15, 2014.

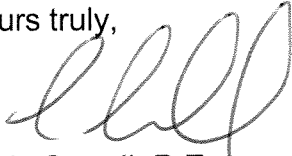

The appended report provides information on the following:

- Influent flows and loads information
- Reuse of the existing facility
- Conceptual design level details
- Capital cost estimates
- Operational cost estimates
- Impact on City of Winnipeg wastewater rates
- Implementation schedule
- Risk and opportunity analysis

We will submit progress reports once this report is approved by your Department.

Should you have any questions on this report please contact Mr. Duane Griffin, P.Eng. at 204-986-4483 or by email at dgriffin@winnipeg.ca.

Yours truly,

Chris Carroll, P.Eng.
Manager of Wastewater Services
