Dear Mr. Driedger:

**Re: Environment Act Licence Suspension
Discharge of Blumenort Wastewater Treatment Lagoon**

This letter acknowledges the request made by the R.M. of Hanover on October 12, 2017 to commence discharge of effluent from the secondary cells of the Blumenort Wastewater Treatment lagoon without meeting the effluent limit for total coliform specified in Environment Act Licence No. 2550.

I am granting a suspension of Clause 27. d) of Environment Act Licence No.2550 pursuant to Section 18(1) of the Environment Act, which allows you to proceed with the discharge of the secondary cell of the lagoon. The suspension is in effect from October 16, 2017 to October 29, 2017, inclusive for this event.

Please be advised that all other clauses in Environment Licence No. 2550 remain in effect.

Any questions regarding this letter should be directed to Mr. Curt Bueckert, Environment Officer at (204) 371-0889.

Yours sincerely,
