

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

RURAL MUNICIPALITY OF MACDONALD – LA SALLE WASTEWATER TREATMENT LAGOON EXPANSION: 2471.50

A proposal has been filed by WSP Canada Inc. on behalf of the Rural Municipality of Macdonald for an expansion of the La Salle wastewater treatment lagoon facility. The expansion would involve the modification of the facility's two existing primary cells into an expanded single cell and the construction of an additional secondary cell to the north and east of the existing facility in 27-8-2E, which is located southeast of the community of La Salle. Discharges of treated effluent from the facility would continue to occur between June 15 and October 31, and would continue to be made to drains leading north to the La Salle River. Construction of the expansion is proposed to take place in the late summer and fall of 2014.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (bruce.webb@gov.mb.ca), not later than MARCH 21, 2014. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry, <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Bruce Webb, Environmental Engineer at 204-945-7021.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
