Dear Jason Clyde:

**Re: 3M Healthcare Canada Company Ltd. - Environment Act Licence  
No. 964 RR - Notice of Alteration Approval**

Thank you for your notice of alteration dated June 28, 2024. The department understands you wish to install two underground tanks for spill containment and one above ground tank as blowdown tank. The tanks will be used in the future planned expansion.

I approve the alteration per Section 14(2) of The Environment Act with the following conditions:

- The installation of the tanks is part of a future expansion plan at the facility.
- The installed tanks will not be used for the current operation at the facility unless approved by the director.
- The approval to install the tanks will not guarantee the approval of a future planned expansion at the facility.

All other clauses of Environment Act Licence No. 964 RR remain in effect. This approval is available on the public registry at <https://www.gov.mb.ca/sd/eal/registries/index.html>.
