

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

HYLIFE FOODS LP - PORK PROCESSING PLANT EXPANSION – FILE: 2754.10

A proposal was filed on behalf of HyLife Foods LP for the expansion and operation of the HyLife Foods pork processing plant located in the southwest quarter of Section 35, Township 14, Range 15 WPM in the Town of Neepawa. The proposed changes to the development include an increase in the current production rate of 27,550 hogs per week to 37,500 hogs per week as well as the addition of a casings and heparin production operation. The increase in wastewater which would result from the proposed increased production rate would be accommodated by a proposed expansion at the Industrial Wastewater Treatment Facility (IWWTF) which treats the wastewater generated at the pork processing plant and is owned by R3 Innovations and the Town of Neepawa. A separate proposal has been filed for the IWWTF expansion.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (Jennifer.Winsor@gov.mb.ca), not later than SEPTEMBER 30, 2013.

Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg;

Online Registry: <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Jennifer Winsor, Environmental Engineer at 204-945-7012.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
