Dear Sheldon Stott:

Re: R3 Innovations Inc. – Springhill Lagoons Cell Treatment Plan

Thank you for the wastewater treatment plan dated July 26, 2023, concerning the treatment of industrial wastewater currently stored at Springhill farms lagoon. The treatment plan submitted per clause 3 of the June 9, 2023, notice of alteration approval is to meet all effluent limits identified in Environment Act Licence No. 2870 RRR.

I approve the requested plan subject to the following conditions:

- This approval is only for the treatment of the current wastewater stored in Springhill farms lagoon.
- Total chlorine residuals shall be monitored at a frequency per CCME guidelines for facilities with industrial input.
- All requirements of license 2870 RRR and June 9, 2023, notice of alteration approval conditions remain in effect.
- This approval expires on December 31, 2023. For subsequent treatment a new updated plan shall be submitted.

For questions regarding this approval, please contact Jennifer Winsor, Senior Environmental Engineer, Environmental Approvals Branch, at Jennifer.Winsor@gov.mb.ca.

Sincerely,

Original Signed By
Agnes Wittmann
