

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

TOWN OF BEAUSEJOUR WASTEWATER TREATMENT LAGOON EXPANSION – FILE: 37.30

A Proposal has been filed by J. R. Cousin Consultants Ltd. on behalf of the Town of Beausejour for an expansion of the town's existing wastewater treatment lagoon facility. The expansion would involve the construction of three new secondary cells adjacent to the existing cells. The new cells would be located on SW 12-13-7E, which is on the north side of PTH 12 and west of an existing cell in SE 12-13-7E. The expansion would accommodate anticipated town growth to 2032. Treated effluent would be released from the expanded facility between June 15 and October 31 to the existing discharge route. This route follows a ditch north and west to the Bachman Drain, which flows north and east into the Brokenhead River approximately 7 km northeast of Beausejour. Construction of the expansion is proposed to take place in 2014.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (bruce.webb@gov.mb.ca), not later than OCTOBER 18, 2013. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry: <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Bruce Webb, Environmental Engineer at 204-945-7021.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
