Dear Ms. Kozak:

Re: Notice of Alteration - Beausejour Site (Rural Municipality of Brokenhead)

Thank you for your notice of alteration request dated April 17, 2017, requesting approval to proceed with the replacement of existing assets with a newly constructed bulk granular fertilizer warehouse with a maximum capacity of approximately 6,000 metric tonnes.

The Environmental Approvals Branch is processing this request as a minor alteration to Environment Act Licence No. 1798 RR, pursuant to clause 14(2) of The Environment Act. It has been determined that the potential environmental effects from upgrades are insignificant and can be accommodated by the existing limits, terms and conditions of Environment Act Licence No. 1798 RR.

I hereby grant approval to Crop Production Services (Canada) Inc. to implement the proposed alteration.

If you have any questions on this matter, please contact Ms. Krystal Penner of this office at (204) 945-7107. For any operational issues please contact the Regional Supervisor Diane Oertel at (204) 345-1486.

Yours sincerely,

Tracey Braun, M.Sc.
Director
