Dear Todd Yakielashek:

Re: Extension of Terms and Conditions of Environment Act Licence No. 2191 E

Thank you for your letter dated December 15, 2021 requesting an extension of the terms and conditions of Environment Act Licence 2191 E (Licence) to December 31, 2022. The Licence expires on December 31, 2021

The extension would allow the Manitoba government to complete the Crown- Indigenous consultation process with affected Indigenous communities in relation to the approval of Louisiana-Pacific Canada Ltd.'s new forest management plan and the associated Environment Act licensing decision.

Upon review of your request, I am satisfied that the environmental effects resulting from the extension would be insignificant. Therefore, pursuant to Section 14(2) of The Environment Act, I approve the extension of the expiry date of Environment Act Licence No. 2191 E to December 31, 2022.

If you have any questions regarding this matter, please contact Elise Dagdick, Environment Officer, Environmental Approvals Branch, at Elise.Dagdick@gov.mb.ca or 204-619-0709.

Sincerely,
