Dear Ms. Cyr:

Re: Notice of Alteration - Basswood Site (Rural Municipality of Oakview)

Thank you for your letter dated September 4, 2015 requesting approval to proceed with upgrades of the existing dry fertilizer plant planned for the Basswood site.

The Environmental Approvals Branch is processing this request as a minor alteration to Environment Act Licence No. 2132 RRR, pursuant to clause 14(2) of The Environment Act. It has been determined that the potential environmental effects from upgrades are insignificant and can be accommodated by the existing limits, terms and conditions of Environment Act Licence No. 2132 RRR.

I hereby grant approval to Crop Production Services (Canada) Inc. to implement the proposed alteration. It is required that the Emergency Response Plan be updated to reflect the changes to the site as per clause 33.

If you have any questions on this matter, please contact Ms. Krystal Penner of this office at (204) 945-7107. For any operational issues please contact the District Supervisor Peter Crocker at (204) 726-6565.

Yours sincerely,
