

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

RURAL MUNICIPALITY OF MINIOTA - WASTEWATER TREATMENT LAGOON EXPANSION – FILE: 4884.10

A Proposal has been filed by WSP Canada Inc. on behalf of the Rural Municipality of Miniota for an expansion of the Miniota wastewater treatment lagoon. The facility is located in NE 25-13-27W, which is southwest of the community of Miniota. The project would involve the expansion of the facility's existing primary cell on the east side and the construction of an additional secondary cell to the south of the existing facility. Discharges of treated effluent from the facility would continue to occur between June 15 and October 31, and would continue to be made to a drain leading to the Assiniboine River. Construction of the expansion is proposed to take place in the late summer and fall of 2014.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (Bruce.Webb@gov.mb.ca), not later than May 12, 2014. Further information is available from the Public Registries located at Legislative Library, 200 Vaughan, Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Bruce Webb, Environmental Engineer at 204-945-7021.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
