Dear Mr. Buys:

**Re: Environment Act Licence Suspension
Discharge of Town of Niverville Wastewater Treatment Lagoon**

This letter acknowledges your request submitted on September 5, 2017 to commence discharge of effluent from the Town of Niverville wastewater treatment lagoon without meeting the effluent limit for total coliforms specified in Environment Act Licence No. 2712.

I am granting a suspension of Clause 16(c), pursuant to Section 18(1) of the Environment Act, which allows you to proceed with the discharge of the secondary cell of the lagoon. This suspension is in effect from September 6, 2017 to September 20, 2017, inclusive for this event.

All other clauses of Environment Licence No. 2712 remain in effect.

Please contact District Supervisor, Larry Markwart at (204)-392-3227 if you have any questions.

Yours sincerely,

Don Labossiere
