Dear Ryan Dyck:

RE: Environment Act Licence 2712 - Licence Clause Suspension Request

This letter acknowledges the emailed request submitted by The Town of Niverville on November 1, 2022, to allow the discharge of effluent from the secondary cell of the Town of Niverville Wastewater Treatment Lagoon outside of the discharge dates specified in Environment Act Licence 2712.

I am granting a suspension of Clause 16(d) of Environment Act Licence No. 2712 pursuant to Section 18(1) of The Environment Act. This allows you to proceed with the discharge of the secondary cell of the lagoon to the following condition. The suspension is in effect from November 1, 2022 to November 15, 2022 inclusive.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence 2712 remain in effect.

If you have any questions, please contact Curt Bueckert, Environment Officer, Environmental Compliance and Enforcement at 204-371-0889 or Curt.Bueckert@gov.mb.ca.

Sincerely,

Kristal Harman,
Director
