Dear Ms. Braun:

RE: Bipole III Transmission Project (Licence 3055) – Licence Conditions # 4f

Please find attached a submission pursuant to the requirements of clause 4 f of Licence No. 3055. This submission should meet the requirements for the Keewatinoow Converter Station, AC Collector Lines and transmission line construction segment N1.

The six attachments serve as an appendix to the Project Environmental Protection Plan and outline Manitoba Hydro's systematic application of mitigative measures consistent with the Environmental Impact Statement (EIS) to address concerns raised by First Nations, Metis communities and Local Aboriginal communities. These attachments also address additional issues and concerns identified by representatives of other First Nations, Metis, and local Aboriginal communities relating to the environmental effects of the project.

Attachments for the following Aboriginal communities are included:

- Fox Lake Cree Nation (also previously submitted);
- Ilford Community;
- Manitoba Metis Federation (MMF);
- Tataskweyak Cree Nation (TCN);
- War Lake First Nation; and
- York Factory First Nation.

Should you have any questions or require further clarification of our comments please do not hesitate to contact me at 204-360-4394.

Regards,
