Dear Kara Benz:

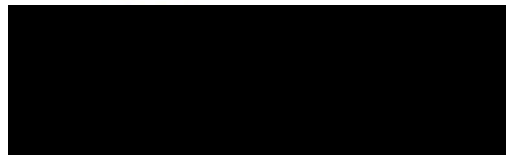

**Re: Imperial Oil, Environment Act Licence No. 3088**

This is to acknowledge the June 10, 2022 email requesting to discharge approximately 13,000 m<sup>3</sup> of water from the temporary stormwater containment pond with exceedance of the upper discharge limits for total phenols as stipulated in Environment Act Licence 3088 (Licence).

Considering the containment pond capacity issues and anticipated heavy rains, pursuant to Clause 18(1) of The Environment Act, you are hereby granted a suspension to Clause 17(f) of the Licence. The suspension of the licence is in effect from June 11, 2022 to June 18, 2022 inclusive. All other clauses of the licence shall remain in effect.
