Dear Mr. Hombach:

Re: Urbanmine Inc. – Environmental Act Proposal – Environmental Monitoring Report

Thank you for the letter dated February 2, 2015 in which you requested a deadline extension to submit the proposed noise modeling report and associated process or facility upgrade to mid March, 2015. Your request has been approved and the new due date is March 13, 2015.

Upon submission of the noise modeling, Urbanmine is requested to arrange a public meeting in which the Environmental Monitoring Report and the modeling result will be discussed with all participants before making a licensing decision. Urbanmine shall arrange and notify our office of the place, date and time of the public meeting by March 25, 2015. The notification shall be forwarded two weeks in advance of the scheduled public meeting. The meeting is expected to be held before April 10, 2015.

If you require further information regarding this matter, please contact Eshetu Beshada at (204) 945-7023 or Eshetu.Beshada@gov.mb.ca.

Yours truly,
