

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

MANITOBA CONSERVATION AND WATER STEWARDSHIP - RAINBOW BEACH PROVINCIAL PARK WATER TREATMENT PLANT UPGRADES – FILE: 5695.00

A proposal has been received from the Manitoba Water Services Board on behalf of Manitoba Conservation and Water Stewardship for the upgrading of the Rainbow Beach Provincial Park water treatment plant. The upgraded plant would be located at the site of the existing water treatment plant, and would utilize a manganese greensand filtration system to treat the groundwater used within the park. Backwash water from the filtration system would be discharged to Dauphin Lake by pipeline. The plant would be operated only when the park was open, and would have a treatment capacity of 1.2 litres per second. Approximately 2,900 litres of backwash water would be generated twice a week when the plant was in operation. Construction of the upgraded plant is proposed for 2014/2015.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (bruce.webb@gov.mb.ca), not later than APRIL 11, 2014. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry: <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Bruce Webb, Environmental Engineer at 204-945-7021.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
