Environment Act Proposal – Class 1 Development  
Semi-Public Water System – Water Treatment Plant Replacement

Dear Ms. Braun,

We have attached 4-paper copies and a compact-disc of our Environment Act Proposal (EAP) for a Class 1 Development pertaining to the replacement of a Water Treatment Plant located at Jack River School in the community of Norway House, Manitoba.

Alliance Engineering Services Inc. is acting on behalf of the Owner, Frontier School Division for this application.

Our proposal submission form is embedded in the bound copies of the attached reports; our cheque for the application fee required is attached.

Should you have any questions or require further information regarding this application please do not hesitate to contact the undersigned; thank you.

Yours truly,

A handwritten signature in black ink, appearing to read "Art Gossen, P. Eng.", written in a cursive style.
