

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

VILLAGE OF WAWANESA WASTEWATER TREATMENT LAGOON – FILE: 5721.00

A Proposal has been filed by Dillon Consulting Limited on behalf of the Village of Wawanesa for the construction and operation of a wastewater treatment lagoon to replace the Village's existing wastewater treatment plant. The new facility would consist of a two cell facultative lagoon with a clay liner in SE 25-7-17W, approximately 3 km southeast of Wawanesa. The facility would discharge twice annually between June 15 and October 31 to a natural waterway flowing to the Souris River. Construction of the facility is proposed to begin in the fall of 2014.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (bruce.webb@gov.mb.ca), not later than AUGUST 18, 2014. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry: <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Bruce Webb, Environmental Engineer at 204-945-7021.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
