Dear Ms. Genaille:

**Re: Municipality of Oakland-Wawanesa Lagoon – Discharge Route Alteration
Environment Act Licence No. 3117**

This is in response to your letter of June 30, 2015 concerning a proposed alteration in the discharge route for the above noted wastewater treatment lagoon. The alteration involves a shorter buried pipeline route to the Souris River north of the facility.

Since the environmental effects of the proposed alteration are insignificant, approval to implement the alteration is hereby provided pursuant to Section 14 (2) of *The Environment Act*.

Please contact Bruce Webb at Bruce.Webb@gov.mb.ca or 204 945-3991 if you have any questions concerning this approval.

Yours truly,
