

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

ROCKY MOUNTAIN EQUIPMENT DEALERSHIPS INC. - SEDIMENTATION POND (NEEPAWA) – FILE: 5751.00

A proposal has been received from Burns Maendel Consulting Engineers Ltd. on behalf of Rocky Mountain Equipment in Neepawa for the construction and operation of a sedimentation pond to treat wastewater from a wash bay at the dealership. The sedimentation pond would be constructed in SE 34-14-15W a short distance west of the dealership, which is on PTH 16 approximately 1.6 km east of Neepawa. Washwater from the wash bay would be discharged through an oil and grease separator and into the sedimentation pond. Suspended sediment would be settled out in the pond, and the settled water would be discharged to a tributary of the Whitemud River between April 30 and October 1 of each year. Construction of the pond is proposed for the spring of 2015.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (bruce.webb@gov.mb.ca), not later than FEBRUARY 23, 2015. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry: <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Bruce Webb, Environmental Engineer at 204-945-7021.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
