Dear Sheena Porco:

Re: Environment Act Licence No. 3169 - Notice of Alteration Request

Thank you for your notice of alteration dated July 28, 2023. The department understands you wish to perform the following alterations at your facility located at 638 Raleigh Street:

- install and operate a solvent recycling system
- relocate and replace the existing burn off oven with a new one
- cancel Licence 8 HW issued for the operation of the old burn off oven and update the current Environment Act Licence 3169 to incorporate the new burn off oven operation
- modify an existing fume extractor system to exhaust emission from wax melting pot.

I approve the alteration per Section 14(2) of The Environment Act with the condition to accept a revised licence 3169 to be issued in near future.

All other clauses of Environment Act Licence No. 3169 and Dangerous Goods Handling and Transportation Act Licence 8 HW remain in effect. This approval is available on the public registry at <https://www.gov.mb.ca/sd/eal/registries/index.html>.

If you have any questions regarding this approval, please contact Eshetu Beshada, Senior Environmental Engineer, Environmental Approvals Branch, at Eshetu.Beshada@gov.mb.ca or 204-250-1932.

For questions relating to the ongoing administration of the licence, please contact Sonja Bridges, Acting Regional Supervisor, Environmental Compliance and Enforcement Branch, at EnvCEWinnipeg@gov.mb.ca or 204-918-4271.
