Mr. Brett Eckstein
Executive Director
Tire Stewardship Manitoba
1791 Dublin Avenue, Unit B
Winnipeg MB R3H 1A9

Dear Mr. Eckstein:

I am pleased to issue an Approval to Tire Stewardship Manitoba (TSM) for the Manitoba Tire Stewardship Program (the Program) effective July 1, 2018. This Approval will expire June 30, 2023, pursuant to Section 7(4) of the Tire Stewardship Regulation (Regulation) under the Waste Reduction and Prevention Act (WRAP Act).

This Approval is issued to TSM under Section 7(2) of the Regulation and is subject to TSM meeting the conditions as set forth in "Attachment A" of this letter, and which forms part of this Approval.

If I am not assured that TSM is implementing or operating the Program substantially in accordance with its intent, or where I or my officials have concluded, based on relevant circumstances, that the Program or terms of this Approval, including "Attachment A: Conditions of Approval" should be reviewed, then pursuant to Section 8 of the Regulation new or additional conditions may be imposed as deemed appropriate so as to ensure that the environmental outcomes and regulatory requirements are fulfilled.

The Department intends to establish guidelines for third party assurance of non-financial information to be reported by all approved stewardship program operators in the Province of Manitoba. My officials in Manitoba Sustainable Development will work with TSM to establish guidelines to provide the Manitoba government with a reasonable level of assurance that key performance measures of the Program are reported accurately.

It is a priority of this department that the Program provide convenient, province-wide accessibility to all Manitoba communities including Manitoba's northern, remote and First Nations communities. I expect TSM to work collaboratively with other Producer Responsibility Organizations to maximize synergies and deliver program outcomes in a cost effective and efficient manner.

I will take this opportunity to remind you that under Section 11(1) of the Regulation, as Minister, I have the authority to suspend or cancel the Approval of the Program at any time if there is a breach or contravention by TSM as the operator of the Program, of either the WRAP Act or the Regulation or the conditions set forth in this Approval and, if applicable, subsequent amendments of this Approval.

Any notices to be provided to department officials pursuant to this Approval shall be submitted in writing to: Senior Manager, Waste Diversion and Recycling Unit, Manitoba Sustainable Development, Box 38, 200 Saulteaux Crescent, Winnipeg, Manitoba, R3J 3W3.

TSM should submit their next application for renewal of this Approval by January 31, 2023 to allow adequate time for review and public consultations.

I look forward to the continued operation of the Program in the Province of Manitoba.

Yours sincerely,

Rochelle Squires
Minister

ATTACHMENT A
Conditions of Approval

Tire Stewardship Manitoba (TSM)

The conditions set forth below form part of the Ministerial Approval for Manitoba Tire Stewardship Program (the Program) pursuant to the Tire Stewardship Regulation (Regulation) and are as follows:

THAT TSM:

1. Implement and operate the Program substantially in accordance with its intent, consistent with the requirements of the WRAP Act, the Regulation, the Conditions of Approval and the Guideline for Tire Stewardship, as approved and amended from time to time.
2. Identify a senior official with TSM as a contact person to work with my officials at Manitoba Sustainable Development to provide such assistance or any information (including both financial and non-financial information) that may be deemed necessary in a timely manner to enable them to provide me with information to assess whether TSM has implemented the Program and it is operating substantially in accordance with its intent and the Conditions of Approval and, if applicable, subsequent amendments to this Approval.
3. Retained earnings shown on TSM financial statement for the Manitoba Program (total revenues less total expenditures), as determined by an external auditor, shall not at any time during the term of this Approval, exceed an amount equal to one year's program revenue.
4. Maintain a 90% or higher recovery rate for used tires collected throughout the term of this Approval.
5. Submit an annual report to Senior Manager, Waste Diversion and Recycling Unit, Manitoba Sustainable Development per the applicable regulation and guidelines.
6. Provide updated information on collection sites/depot locations to Manitoba Sustainable Development when requested or when substantial changes occur.
7. Maintain its status as a body corporate and registration under The Corporations Act, C.C.S.M. c. C225 (Manitoba) while operating the Program.
