****Monthly Checklist URLs**

If the most current edition of a publication is available on the Internet, a URL is provided in the *Monthly Checklist* for that specific title and edition. Otherwise, the URL links only to the index page of a departmental or agency Web site where previous editions of the publication are found. The user is encouraged to refer back periodically to the index page until the most recent edition is posted there.

****Adresses URL dans la Liste mensuelle**

Si l'édition la plus récente d'une publication est disponible sur Internet, une adresse URL est fournie dans la *Liste mensuelle* pour le titre et l'édition spécifiques. Dans le cas contraire, l'adresse URL renvoie uniquement à la page d'index d'un ministère ou d'une agence ministérielle où l'on retrouve des éditions antérieures de la publication.
